• **Headshot Quotes – December 16th** This is the space below the Senior portrait. It should be a quote from a movie, poem or song. • **Senior Portraits – November 15<sup>th</sup> (Whites Studios), December 6<sup>th</sup> (personal photographer)**

Because of poor response over the last few years, Whites Studios will not be bringing their portrait trailer to campus. They are happy to shoot your child's portrait at their studio in Northridge. (8961 Reseda Blvd, Northridge, CA 91324) Go to [www.whites-studios.com](http://www.whites-studios.com) to make an appointment, at either their Northridge or North Hollywood studios. The Northridge studio number is **818-727-2600**. November 15<sup>th</sup> is the last possible day to have Whites shoot the portrait. Whites Studio will be getting the images to yearbook. You do need to approve asap, or they will choose for you.

• **ALL Portraits shall adhere to the school dress code, no props of any kind, no hats, cropped from the waist up.** (Any questions on Photographers, etc. can be directed to the editors at [malibuhsyearbook@yahoo.com](mailto:malibuhsyearbook@yahoo.com))

If you would rather have a different portrait photographer, that is fine, but we need the highest resolution possible. It needs to be a vertical image, no props, from waist up, school dress code followed. Please note **YOU** are responsible for making sure that the correct image gets to us, if it a non-Whites Studio image. **The image needs to be AT THE MINIMUM 1MB, JPEG. Anything lower will be pixilated & you submit at your own risk.** When you choose to use other portrait photographers, other than the one the school has contracted with, it causes a lot of room for error. Remember this is a student run publication, our staff tries their very best, but errors can happen, especially when you use your own photographer. For your own photo submittal: Upload the image to: [yearbooksforever.com](http://yearbooksforever.com) • Upload the **STUDENT NAMED** image, choose the drop down for "**Portraits**" Image needs to be uploaded, no later than **December 6<sup>th</sup>**.
